

About us

ESTABLISHED IN 1927, BY SHETH ANANDILAL PODAR,

Podar Education Group has, from the very beginning been focussed driven and motivated by the traditional Indian values of honesty, integrity and service. The father of our nation, Mahatma Gandhi, being the very first President of the Anandilal Podar Trust stands testimony to this fact.

With over 91 years of experience within the educational space, the Podar group is now a network of 110 educational institutions spread across the nation, with a combined student strength of more than 1,35,000 and the support of 6,000 dedicated and loyal staff members.

Podar Mission, Vision and Values

Mission

To develop and equip the children of India for the challenges of the 21st century.

Vision

To be the best and be recognised as raising the traditional standards of educational possibilities and outcomes for students, parents and society.

Values

Innovative

Committed

Open

Long-term

Chairman's Message

“Our mission is to provide the children of India with the necessary skills to face the challenges of the 21st century.”

The Podar Education Group legacy is long and enduring. For over eight decades, the Podar family has made education a mission and quality the fulcrum of their commitment. Today, Podar International Schools across the nation cater to the educational needs of over 1,35,000 learners annually. We have been entrusted with their future, their careers and their lives ahead. We need to nurture them as learners, inculcate values and arm them with the necessary skills that will help them make the nation proud. [Read more](#)

Sincerely,
Dr. Pavan Podar

Goal for Each Podar Student

- Independent Thinkers
- Communicators
- Adaptors
- Modern Citizens
- Good Human Beings

At Podar International School, the students from a very young age are trained and encouraged to be independent thinkers and to take on an approach of innovation and ingenuity. Therefore, when faced with a problem or a situation, our students do not simply look for ready answers but use their imagination and analytical abilities to create pragmatic solutions.

At Podar International School, the students from a very young age are trained and encouraged to be independent thinkers and to take on an approach of innovation and ingenuity.
